Speechcraft Course

Build your confidence and learn to speak comfortably and effectively in any situation.

You will learn to

- organise and present your ideas logically and convincingly
- speak before an audience,
- introduce a speaker,
- confront and control any nervousness you may have,
- evaluate a speaker,
- explore the different ways of using body language,
- apply the principles of a well-developed voice to a particular speech,
- select the right words to communicate ideas...

...you will develop the skills to handle any speaking situation with ease.

Commencing Wednesday 24th March 2010
